December Edition

Welcome New Clinician, Katie

The Chamberlain International School is happy to announce the addition of Katie Clemens to their clinical team. Katie is a Licensed Clinical Social Worker (LCSW) and will be providing individual and group therapy to a number of students at the therapeutic boarding school in rural New England.

In addition to her schooling at the University of New Hampshire, Ms. Clemens has completed specialty training in the areas of Suicide and Risk Management, Complex Trauma and Attachment, and Trauma Focused Cognitive Behavioral Therapy.

Director of Counseling Services Colleen Quaile, LMHC, is excited to have Katie join her team, saying "Katie brings a fresh perspective and experience that is beneficial to working with our very complex and diverse population at Chamberlain."

When asked what she likes most about the school, Katie said "There is a real feeling of community here between staff and students."

Giving Tree

We will be providing assistance to those who may need a little extra help this year with purchasing holiday gifts. We will have our "Giving Tree" set up with tags identifying what may be on their wish list. All are invited to participate by shopping for a gift's from our Giving Tree. if interested, you may participate in the following ways:

1. We can pick a tag for you and let you know what the wish list item is, and you can shop and mail it to us by a specified date or
2. You could send a check for any amount that you would like to contribute towards the Giving Tree, and we will shop for you!

What a view!

Our Aviation Program puts our students up in the air with an excellent view from above. Students have gone on to obtain their pilot licenses and make a career out of flying.
